Sir:

On my tour of inspection of the Brazos, Col Bates applied to me to have Lt. Allis detailed as Instructor of Tactics for the State troops under his command.

Lt. Allis is on duty now as Instructor of Pardee's Battalion, under orders from District Headquarters.

If not inconsistent with the service, I would respectfully recommend that Lt. Allis be ordered to report to Col Bates, as the Colonel has no officer that he can detail for that duty.

Sir

I have the honor again to urge on you the Commissioning of Hollis Addis, as an instructor of Infantry Tactics. He has acted in that capacity, at this Post for the last nine months, in a manner highly satisfactory, without compensation, other than this pay as a soldier. The number of recruits and the scattered condition of my command, render his services very needful to me. And being over the age of Conscription and limited in means, he will not, and cannot remain in the army without some recognition of his services

Dear General—

I send you today the only Houston paper I have seen for a week or ten days - also some scraps of Mobile papers forwarded to me by Dr Heath. It seems that Genl Banks is now Chief of Staff to Genl Johnston.

I cannot see him in person to-day but will call upon Genl Bee for those you sent him. Having learned that Newspapers sd the State Troops were ordered to their commands as directed - Col Lubbock also ordered to send a company to mouth of San Bernard to be relieved company per day.

Would it not be advisable to make some arrangements to secure the cargoes of blockade runners without causing such a necessity for extraction in absence of Ransom & Hayworth from their Dept Both still sick - I am a little under the weather but fair prospects of speedy recovery

Hon. James A. Seddon.
Secretary of War
Sir:

I respectfully ask the appointment of Mr. James F. Aldrich, of South Carolina, as Drill Master with the rank of First Lieutenant.

Mr. Aldrich has been on duty at these Head Quarters since July last, in charge of a department in which an considerable all questions pertaining to Exemptions under the Law. These duties have required the exercise of much legal discrimination and to his ability and industry I am much indebted for that uniformity in the administration of the Conscript in this State which has so much tended to render the system acceptable to the people and satisfactory in its results. His services are to me, & Thompson, invaluable in the discharge of my duties, and I feel it due to himself and important to the service, that I should ask for him this official position.

He is about 44 years of age a
lawyer by profession - and a gentleman of
great moral worth.

I have the honor to be

My dear Sir,

My friend Gen. Gregg has made me the offer of his staff as Quarter Master. He says that he is entitled to an Officer with the Rank of Major & that he will so apply; but it may be necessary for me to have a friend at Court. Now as I feel assured you will do me a kindness, I make known to you my wants, & as without you I am friendless at court, I leave my case in your hands, if Mr. Miles can aid, I am sure he will take pleasure in doing so. If I had my own selection, however, I would much prefer a place in the Subsistance Quarter Master's department, as I am familiar with those duties, having had some experience.

Yours Truly

Hon L. P. Walker
Secretary of War.

Dear Sir

I am authorised to offer to the Confederate States the services of my Brother Lieut. E. P. Alexander. Engineer Corps U. S. Army - and to ask that a position be assigned him in the same branch of the service in the Army of the Confederate States. As to his qualifications and merits I beg leave to refer to Col. Harden of the Army. In addition to his military education received at West Point where he graduated with high distinction, he is thoroughly acquainted with the Secret Signal service recently introduced into the U. S. Army by Major Meyer having been detailed to assist that Officer in his experiments.

My Brother is now on duty at Fort Steilacoom W. Territory where he commands a company of Sappers & Miners. And has sent in his resignation, and will report here as soon as relieved Meanwhile I ask that such a position in the service as his merits may entitle him to be assigned to him. Any response to this will find me in the State Department

Respectfully.

Richmond Va April 2nd 1862

Sir

I have the honor to enclose a Commission of Major of Artillery in the Provisional Army of the Confederate States & to be assigned to Ordnance Duty under the act of Congress No 337 approved Dec 3rd 1861. I have been on Ordnance Duty for many months & make this application with a view to a permanent assignment to Ordnance duty. I have the Engineer corps at the end of the war.

I am Sir very respectfully
Your obedient Servant

on his return from Washington.

Friend

Yours of the 20th upon promotion of Officers is received. Your remarks with Col Hamilton book Station is supposed to be assigned to duty at Mobile and if this can be done it will be well.

Major Hugo Young and Lieut Hanna are absent without Offers. and should be promoted. Capt Jordan I do not recommend. Capt Milling, Bush & Cartledge and Capt Stubbins Young's Battalion, are fine Officers. Capt Milling I have frequently noticed, and has been very in action. He is particularly cool and able in battle. Capt Stubbins I do not know personally.

If we could get invoice of the Officers at Richmond, I would like to have them. Or if we could exchange these Field Officers to stationary batteries and get such active ones in their stead our condition will be improved.

I sent a report just before I left Garrison. He has just reached Mobile

on his return from Washington.

As you have decided that I cannot be assigned to duty where I command and have been serving for the last two months to the satisfaction of my Brigade, Division and Corps Commanders I must respectfully tender my resignation to take effect from the 31st day of December 1864.

I am several members of the Battalion, I recently commanded, to be tried by Court Martial I am a witness. The Battalion (Courts Thunder Bolt) having been disbanded it is necessary to inform the different Commands, to which the men formerly belonged of the disposition made of the men. this will take some time as I think there are over one hundred and ten different Commands. It will be - and already some Officers are enquiring of me the whereabouts of their men so that they can properly arrange their rolls.

I cannot in taking leave of your Department do so with grief - I have tried to be all a Soldier should be — many are trying to get out of the field I am trying to be right in it —

RECORDS DIVISION

In Camp 27th Mississippi Regiment
Shelbyville Tenn. April 25th 1863

Sir,

As Colonel of the 27th Mississippi Regiment, I have the honor to represent that my regiment has been and is now without a Chaplain and to nominate for appointment to that office Rev. J. H. Alexander of Mississippi, a Presbyterian minister of high character, who is well known to me and who will, I think, be useful to the regiment.

I respectfully request that he may be at once appointed and that his letter of appointment may be sent to me for delivery to him.

Respectfully
James A. Campbell
Col. 27th Miss. Reg.

Hon. James A. Seddon
Secretary of War
Richmond

Shelbyville Tenn. April 25th 1863

Dear Singleton

At the request of my brother Col. J. A. Campbell, Commanding 17th Miss. Reg. (whom you know very well as a lawyer of Carthage Miss.) I have written the nomination for Chaplain of his reg. found on first page and send it to you with request that you will immediately present it to the Secretary and procure the appointment to be made and send the letter of appointment to him or me. Mr Alexander is a very worthy and proper man, full of piety and patriotism, and the regiment needs a Chaplain. There is not one in the brigade of which it is a part.

I presume the Sec. will approve the nomination and make the appointment but two wish it that you will have the letter of appointment issued from the Adjutant & Inspector Generals office at once and send it on, as otherwise much delay may occur.

I will be very happy to receive a letter from you. What of the war? Can you anticipate an early peace? What are our prospects? Will you be a candidate for re-election?

With a kind sense of obligation for your kindness I am and much respect

I am Your friend

Dear Sir,

I am informed by Capt Law & Lieut Ferguson that Hickman Vacancies in the 1st Regt Light Artillery stationed at Fort Morgan, to which they belong. It has now been eight months since I received a very severe wound at the battle of Malvern Hill in front of Richmond from which I have never recovered, my right side & shoulder are almost entirely disabled, so far as the duties of active service are concerned, I am satisfied that I am capable of performing the duties that would be incumbent upon me, were I to be so fortunate (as to) receive the appointment) at Fort Morgan. I humbly ask you to make use of application for Lieut in that branch of service for me, and pr that it is carried through, and return it to me at the earliest possible moment, as I am anxious to get into service. By doing so you will much oblige me.

To His Excellency Jefferson Davis
President of the Confederate States.

Sir

On October last at the request of Brig. Gen. R. Toombs, my brother James M. Alexander private in Co A 1st Regt Geo. Vol. now known as the Irwin Artillery was detailed for duty in the Signal Service under Capt E. B. Alexander at the same time Mr Benjamin ... to Gen Toombs "The President authorises me to say that when Mr Alexander has been sufficiently instructed he will confer upon him the Commission of Captain and assign him to duty" ... I would beg leave to call your attention to this promise and respectfully to ask its fulfilment. Captain Alexander writes me that my Brother is now fully instructed and competent

to take command in the Signal dept. from which he is anxious to be relieved. finding his duties as Ordnance Officer to require all his time. He also suggests that a Signal Officer be placed in Fort Pulaski. now threatened by the enemy. who could preserve a constant communication with us even were the Fort surrounded. He says that my brother must have such commission as will authorise him to command the men under him, in order to render him useful. I hope that Brotherly affection has not influenced any one of us three to say any more than the strictest truth.

Very Respectfully

My Dear Sir

This will be handed you by my young friend Ralph E. Alexander an Cadet at West Point. Mr. Alexander was nominated by myself and entered the academy at West Point about three years ago. You will see by the register that he stood at the head of his Colleagues from this State. He is a young man of fine attainments and will doubtless be found well qualified for a position in the army of the Confederate States. He visits Montgomery for that purpose. Any favor you may find it Consistent with the interests of the service to give him a good position.

With highest regard I am

because of the flood of applications, which will be made for like appointment, if the door for the same is once opened.

I know of no vacancy in the grade of Lieut. in the Regiments of army which could be legally filled, at this time, by the appointment of Mr Alexander.

S. Cooper
Dec 31/64 A.A.G.

Secy of War. for consideration & advice. There is certainly force in the objections offered by the Adjt. Genl. but if the case is within the spirit of the law in relation to appointment of officers of the old army into the U.S. service it may be made an exception & would not be the first appointed [illegible]

A.G.O.

Respy: sub: to the President.

Where no officer can be found of the Regular Army who will accept the appointment, it is competent for the Secretary of War to appoint a Volunteer officer, under the Act of July 17th 1862 Sec 4. but only for the period of the war. Such appointment cannot be continued in force after the 1st of Jan 1866.

[illegible]

ventic Oct. 20/64 when, on the assurance of his father then in Washington, that his resignation would be accepted, he left Kinderhook where he had for some time resided privately, but residing on a farm doing no military duty, & that he brought back with him 80 men & turned them over to Lt. Lyon at Paris. Tr. Although all this is highly commendable, yet it would not entitle him to appt. in the regular army U.S. under the act of 14 July 1862 which expired by limitation Sept 14 of that year. The last two offrs. who were appt. under that act were T. C. Armstrong & W. M. Kimmel both appt. 2nd Lts. of Cavalry Sept. 14/64. just six months after the date of the act. I consider that Lt Alexander can command no influence reasonably to the consideration of the President other than either of the above cases and I cannot recommend his appt. in the regular army U.S. two years & five months after the regular appointments.

[illegible]

Sir

I have just received from your [illegible] and "Remarks on Property Tax" on [illegible] returns for 52 & 1861 - and beg leave to enclose the following [illegible]

[illegible] Department of Finance

Expenditure - £2100. Charged by me to property tax Debt Fund

Charged on books of Treas on "Property tax Dept". In drawing these funds I intended them for the Income Dept and actually [illegible] extended them in that Dept as my accounts will show. In signing any requisition or receipt in consequence of which I am charged in the Prop Dept I did it in ignorance of the distinction observed in the books of the Treas. I therefore respectfully ask that I be indicted on those books in the prop dept in Dr for sums transferred to Income Dept £2100

Also to be allowed £6 10s Additional furniture for Dep & Br.

"Miscellaneous" was one box with lock & key for the safe keeping of the stationery to be used and of those returns & other papers which were required to be kept secret - and one table for writing upon. These were both absolutely necessary for the public service and are now [illegible] in the Income Dept. here on Requisition. At what time

[illegible] were [illegible] and I was [illegible]
remarks. I respectfully ask that this be allowed
Lieut. B. Coulter 2 - 2s. Surgeon's Clerk, being Rest given
person for a [illegible] The man for whom the
given was employed as a hamster. The [illegible]
had been released and went home suddenly with a [illegible]
heavens, his relations to drive for him. The money returned
and his neighbors [illegible] committed to the horse after some
two months, I paid the entire amount to him, as this was
the only way in which I could get his money to the
old country, my first transfer, and I did not know the
exact requirements of the Treas. - I respectfully ask
that this account be passed. I could not tell anything
as to the parties.

Remarks on Property Account -

6. Voucher 7. - Should show the different articles seriatim instead of grouping together: see Blacksmith coal &c. - I now enclose a vat seriatim of the articles - omitted in first instance from ignorance and from scarcity of paper.

8. Voucher 9. - Shows large quantity of forage received from depots at Kamsack - Yorkton, without giving the quantity from either officer. - The forage was drawn on "Requisitions" and no invoices were furnished. - How can I now designate the proper division of the amount drawn. - This explanation has been accepted at the office of Auditor Genl. -

[illegible] Clothing [illegible] Their requisitions & receipts for 9114 lbs
corn 2 Cwt. oats 7.164 lbs hay [illegible]
Requisitions were always issued for the full amount allowed
by regulation and the receipts always given for the quantities
issued by the proper officers. From the deficiencies
[illegible] the full amount asked could not be issued
at times - Hence the surplus of corn & hay in my favour
The oats were issued to supply the deficiencies in
hay, and on receipts for hay - hence the apparent
discrepancies against me -

Item 9. "C" shows an over issue to Genl Doomler 18 quires paper
200 envelopes. 96 steel pens &c. - one unauthorised issue
&, one Office box & stands &c. -
"This stationery was issued for use "until exhausted"
as the Genl. Commdg does not indent for a year at once -
I issue it at his request, and under the impression
that I was bound to furnish what was necessary, under
for the public business of the Brigade. The box was needed
for the proper security of the Brigade papers, and the
Capt (comdg) so wrote upon - See Remarks dated 6th
A/Qr Master - requests to put upon his property return
10 sheets writing paper received by him from Capt
Belden, and pens to account for same - Am the

This error arose from my entire [illegible]
with the forms used in the dep[illegible]
filled and accounted for on the C. S. [illegible]
~~be that the entries stated on the property returns~~
be viewed as incorrect -
The three spades ~~issued~~ objected to as not allowed by Regulations
were issued at the request of the officers because in the
wet lands around Manassas where we camped
it was impossible to keep a tent dry enough for use
without the constant use of the spade - They were
ultimately lost on the retreat from Manassas -
Under No 6 - signed my "May the Order - for Dr Turner - was
withdrawn - suspended" - Dr Turner had otherwise
the order, and I learned that my ~~receipt~~ [illegible]
was never disapproved by Dr. Med Purveyor on account
that the tents had not procured would be sufficient
evidence that the tents were furnished Dr D. -
Responsibilities on my accounts were caused by the difficulties
of active field service - and by the fact that I was appointed
to office with only previous acquaintance with the business
~~that was to be furnished for my guidance and assistance~~
campaign - I therefore respectfully ask that this
order of the 6th be not required of me - Respectfully

Reporting defects in Artillery Saddles

Respectfully referred to Lieut Morgan. If the defect in the saddle, can be remedied, it is very much to be desired as the supply of artillery horses is a question of serious importance —

RECORD DIVISION. REBEL ARCHIVES. WAR DEPARTMENT.

Office Inspector Field Trans Richmond June 3. 1863

Major

In my inspections of Artillery horses during the past month I have found a very great and unusual proportion of them unfit for service on account of very bad sores on the back - chiefly on that part of the back covered by the cantle of the saddle. Examining the saddles I find that the cantles are too flat beneath and being bound with iron rub a sore into the back in a very few days if the horse be at all thin. I earnestly recommend that the attention of the proper authorities be called to this fact. in order that the defect in these saddles may be remedied as speedily as possible. At present it seriously cripples the efficiency of our Artillery

In compliance with your order of to-day requesting me to inform you why the dispatches directed to Col Page on the morning of the 23rd inst were not sent directly on & why they were detained in my Office, I respectfully submit the following:

When we first arrived here I applied to the Adjt. of the 5-9th N.Y. Regt. for all standing orders, as directed, he failed to turn them over stating that they were all packed up & would be difficult to find, saying he would send them down as soon as he reached Adams House, but he told me some if not all of them verbally. I asked about dispatches, he said that the regulations were 7 A.M. to Dist. Hd. Qrs & 9 A.M. for Sub. Dist Hd. Qrs. all papers were to be sent at those hours except those marked immediate. were the dispatches rec'd on the morning of the 23rd if I recollect right. were not marked immediate & the orders told me nothing about forwarding them at once, consequently they were retained for the morning courier, in accordance with above instructions. they were however sent many hours before the usual time, having an opportunity forgot to send them with dispatches directed to Maj Watkins & marked immediate.
